

Health, Safety, Environmental and Quality Statement

Our statement of general policy is:

- To provide adequate control of the health and safety risks arising from our work activities;
- To consult with our employees on matters affecting their health and safety;
- To provide and maintain safe tools, plant and equipment;
- To ensure safe handling and use of substances;
- To provide information, instruction and supervision for all employees;
- To ensure all employees are competent to do their tasks, and to provide them with adequate training;
- To prevent accidents and cases of work-related ill health;
- To maintain safe and healthy working conditions;
- To minimize waste by evaluating operations and ensuring they are as efficient as possible;
- To minimize toxic emissions through the selection and use of plant and vehicles.
- To actively promote recycling both internally and amongst customers and suppliers;
- To meet or exceed all environmental legislation relating to the Company;
- To provide customers with products and services that meet or exceed their expectations;
- To strive to continuously improve products and services; and
- To review and revise this policy as necessary at regular intervals.
